

Narberth Y. M. C. A. Drive to Open on Monday

BIG CORPS OF INTERESTED AND PUBLIC-SPIRITED CITIZENS TO
ASSIST—STRIVING FOR AT LEAST \$40,000.

Success looms ahead as the local Y. M. C. A. campaign approaches the eve of its drive to secure at least \$40,000 for additions and improvements.

The objective is pretty well known—a Swimming Pool, Auditorium, Motion Pictures, larger and better Game and Club Rooms, increased supervision, expanded activities, more facilities for caring for that surplus energy of our young people—your boy or your neighbor's boy, especially—during their idle hours, and for the development of community spirit and activities.

Even now the Association is the focal point of the vast majority of borough events—the building is frequently taxed to capacity in caring for meetings and events of our local associations, but still the facilities fall far short of the demands of the community.

The proposed improvements are unanimously conceded to be worth-while in every particular, and to provide facilities all of which are badly needed by our town.

The Association has reached the position where it must go ahead or go back, and the officers and directors feel confident from the expressions of the friends of the Association that the town would not permit the work of the Association to be withdrawn, well knowing that even with its limited facilities and resources it has done a good work.

The management, however, hopes with the aid of all our people to make this Community Center 100 per cent. complete and efficient, and events lead

it to believe that this is a possibility very shortly to be realized.

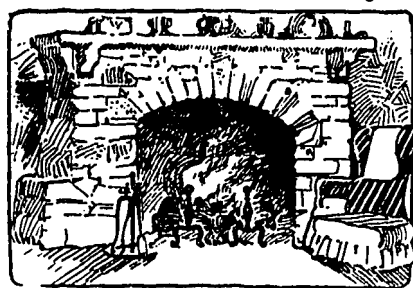

A very large number of interested and public-spirited citizens have volunteered to assist in the drive, which starts Monday evening, November 3rd, and are contributing their effort, time and means to make it a success.

These workers are being led by Mr. Fletcher W. Stites, who has always been a staunch backer of the Association; by Mr. A. J. Leos, the President of the Association and another of the strong citizens who is deeply concerned in the welfare of Narberth's young people, and by a host of others, who, for lack of space, cannot be mentioned here.

Some one of these proposed features undoubtedly appeals personally to most every one of us—at least in an unselfish way they appeal to all as affording especially those facilities which a community owes to its growing young people for their welfare alone, as well as the benefit to the entire community which is the inevitable result.

In an open statement elsewhere the Association assures to the Town full use of its facilities in a broad and fair spirit of appreciation of the support of the community which it is confidently expected will be given.

It is urged that all Narberth shall this week give attention to this very important undertaking. Help with your thought, interest and means to boost the plans which are so badly needed.

THE FIRESIDE

Do you enjoy the extra hour's sleep in the morning?

The Red Cross Roll Call starts tomorrow, November 2.

Mrs. B. T. White, of 422 Dudley avenue, is visiting friends in Gainesville and Jacksonville, Fla.

Our Town acknowledges with thanks a donation of \$5.00 from Evangel Circle, King's Daughters.

Mrs. H. I. McConnell, of Merion avenue, entertained her card club on Wednesday afternoon. There were three tables.

Mrs. T. B. Stringfellow, who has been visiting Mrs. B. T. White, in Dudley avenue, has returned to her home in Gainesville, Florida.

Mrs. R. H. Shafter, Mrs. S. P. Morley and Mrs. C. M. McCracken are attending the Woman's Missionary Jubilee in Boston.

Mrs. W. Pearsall, who has been visiting her sister, Mrs. H. S. Bradley, of Essex avenue, has returned to her home in Bay City, Michigan.

The annual opening luncheon of the Women's Community Club will be on Wednesday, November 12, at 1 P. M., in the Y. M. C. A. All members are urged to keep this date in mind, as the committee in charge earnestly desires a full attendance.

The usual notices will be issued and further details of the program published in a later edition of "Our Town."

The charm of Will Rogers is in his lack of play-acting, but he is genuine. In "Almost a Husband," Opie Read's delightful story, to be shown in the photoplay at the Palace Theatre, Ardmore, on Wednesday, Rogers displays much of the every-day, ordinary, real sort of things, and with his talented support brings out its most excellent humor. You and the public are more than a "movie fan," you become one of the people there.

Montgomery Co. Federation Women's Clubs Holds Meeting

The fall meeting of the Montgomery County Federation of Women's Clubs was held at North Wales, October 23rd. Narberth was represented by a delegation from the Community Club. The program was varied and most interesting, beginning with a business session, during which "Legislation," "Civic Suggestions," "Our Duties to Our Foreign Population," and "The High Cost of Living" were most ably discussed. The latter subject especially inciting a most interesting debate, the opinion being that if the purchase of anything but actual necessities could be curtailed for a short period until the production of real necessities caught up to the demand, considerable could be accomplished. And that is something we can all do.

The afternoon session was given to a report of the State Federation Convention held at Scranton, October 13, 14, 15, and an address by Mrs. Raymond Brown, but recently returned from hospital service in France.

Memorial Hall Proposed for Narberth Tribute

There is exhibited in the Post Office window a sketch showing a proposed Memorial Hall for Narberth.

The plan contemplates acquiring the present Fire House, building a new front in architecture similar to the present Y. M. C. A.; building a tower on the southwest corner to take care of a clock, having four faces which will be illuminated at night, also to contain an electric siren for calling out the fire company.

A suitable bronze tablet to be placed in the front of the building showing the names of all the boys who went from Narberth to the World's War.

By squaring up the present building, a new room would be provided on the first floor for Council meetings, which would be considerably larger than their present quarters. Directly over the room would be a good sized room called the "Trophy Room," to be used for small meetings of the American Legion. The idea being that any large meetings of the Legion would be held in the present large room (Elm Hall).

The property now has a value of at least fifteen thousand dollars, and when the proposed improvements have been added would represent at least a twenty-five thousand dollar memorial.

By turning the Memorial Hall over to the people of Narberth, it would be governed by the Borough Council, who would always be here to insure the building being kept in good condition and the maintenance would be paid by the tax payers of the borough.

It is necessary that the borough have good fire fighting apparatus and volunteer firemen. The time has about arrived when men should be kept on duty both day and night to answer fire alarms. A part of the duty of these men would be to keep the building in good condition.

By the borough owning the building, the present rent paid to the Fire Company would be saved and any income received from rent of hall or any other room would come to the borough, a direct benefit to all tax payers.

The building would be a pleasing sight, in its Colonial simplicity; the clock would be a practical ornament, the electric alarm is now badly needed; the American Legion would have a home of their own, rent free, as long as there is a borough of Narberth and an American Legion.

The bronze tablet would show to all who the brave boys were who left their Narberth homes for the war and appropriate stars would show those heroes who did not return.

Borough Councils would have a suitable meeting place, Narberth would have a Memorial and a Municipal Building that they would be proud of, and the Fire Company would have their financial difficulties all smoothed out, so that any dues coming in would be used for entertainment purposes in place of the few members maintaining a building as at present, for the good of all the tax payers of the borough.

A meeting of the General Memorial Committee will be called for Thursday evening, November 13, at 8 P. M. in Council Chambers, when the details of this proposed Memorial will be submitted, and it is to be hoped that the en-

tire committee will be in position to take action so that plans be immediately made for raising a fund to cover either this memorial or one of the others that have been suggested.

The following list gives the names of the General Memorial Committee, and it is suggested that the readers of Our Town consider the ideas that have been proposed and express their opinion to any of the members of the Memorial Committee before this important meeting is held.

Narberth Soldiers' and Sailors' Reception and Memorial Committee.

Anent Joining the Legion

The next meeting of the Narberth Post of the American Legion will be held on Friday evening, November 7th, at 8 o'clock. It is most earnestly desired by every man now a member of the Post that all service men who have not yet become affiliated with the organization will make an attempt to be present on that occasion.

The Acting Secretary, in sending out notices of the meetings, has had only lists of a fragmentary and misleading character to guide him. It has been his object, as well as that of the committee on membership, to reach every service man in the borough, and if in the scramble attendant on such needle-in-a-haystack proceedings, some have been overlooked, what else is there for them to do but to appear at the meeting Friday night and let their voice go forth amongst the multitude? It's their party as much as anybody else's—or should we say anybody's else?

We think that at this date it is unnecessary to descend upon the obvious merits, advantages and attractions of the American Legion. Everybody admits that it's a good thing, and they're going to join some day (looking dreamily out of the smoker window at the flying panorama of Merion or kindred hinterlands), but that's about as far as they get with it, and Friday evening rolls around once more, to find them, their cordovans extended to the cheery gas log, three pounds and a half of Saturday Evening Post in their lunch hooks, allowing the future destinies of the organization they intend to make their own to be moulded without their valuable—nay, invaluable—assistance and support.

Is this right; is this just; is this supportable? We feebly murmur, and Reason, tottering on her throne, mouths a frantic NO!

Wherefore, we reiterate—Will you come out to the Y. M. C. A. next Friday at 8 and assert your rights as an ex-gob or ex-doughboy (or even an ex-officer; for, after all, we suppose they have some rights), or do you insist on being fetched by a committee of prominent citizens and a band?

Mr. and Mrs. H. I. McConnell entertained at cards on Monday evening. The guests included Mr. and Mrs. R. C. Breneizer, Dr. and Mrs. Irvin C. Semmel and Mr. and Mrs. Alex. D. Cuertan, of West Philadelphia.

Making Plans for Tennis Celebration

ENTERTAINMENT COMMITTEE ARRANGING SPECIAL PROGRAM FOR EVENING OF NOVEMBER 14—SEND ACCEPTANCES TO ROBERT E. PATTISON BEFORE NOVEMBER 12.

The Committee in charge of the Tournament Celebration of the Narberth Tennis Association, at Elm Hall, on Friday evening, November 14, has practically completed arrangements for the affair, which promises to be one of the most enjoyable events in the history of the association.

Many of the members have already sent in their acceptances, but there are still a number who have not yet responded. Chairman Pattison, of the Entertainment Committee, is anxious to hear from all members, and all acceptances must reach him before November 12.

The dancing will start promptly at 8:30 o'clock to the music of one of the best—Bill Kirkpatrick says it is the best—jazz orchestras in Philadelphia. After a few dances "an adjournment" will be taken and then will follow the presentation of the prizes won in the recent tournament, and two other features of the evening's program which the Committee believes the members of the association and their wives and guests will enjoy thoroughly.

So, remember, members of the Narberth Tennis Association, reserve Friday evening, November 14, for the big tennis celebration at Elm Hall, and send your acceptances promptly to Robert E. Pattison, Box 133, Narberth.

Band concert, under the auspices of the Narberth Fire Fighters, Friday evening, November 7, Fire House Hall. Admission, twenty-five cents. To pay for new roof for Fire Company Building.

Welcome Home Reception Big Success

On Saturday afternoon and evening, October 25, from 3.45 to 11.30, there was something doing every minute for Narberth service men.

Eighty-five of them lined up for the parade, in uniform, and filled the stand during the speeches. The same number sat at the dinner table with a few members of the committee and about forty or fifty enjoyed the dance in Elm Hall with their wives and best girls.

It seemed as if the committee tried to take particularly good care of the Civil War veterans, as they called at their homes for them in automobiles and took them back after the dinner. The veterans expressed their appreciation of the way they were entertained, and from what has been heard from the service men, they certainly seemed to have enjoyed and appreciated the whole performance.

It was mighty pleasing to see the way that all the organizations, the merchants, and in fact everyone in town worked together to entertain their boys.

The rule that only service men were to be admitted to the dance was really necessary, as there was only room for about forty to fifty couples, and even the Burgess himself was denied the

A photographer took pictures of the soldiers and sailors in one group and the Red Cross workers in another, and the Boy Scouts and Girl Scouts and several views of the main streets in the town. These are exhibited in the window at Smith's drug store and can be bought at a fair price.

There is remaining a quantity of souvenir programs which will be mailed to friends and relatives interested in our service men and their reception by applying to our Postmaster, Mr. E. S. Hays, or by addressing a card to the committee, care of P. O. Box 601.

A new and novel feature of the day's entertainment was the dancing in the street in front of the Fire House and Y. M. C. A., to the music of the Ardmore Chamber of Commerce Band. This was a feature that the committee did not provide for, the expense of the band being paid by some of our public-spirited citizens who wanted to see everyone have a good time and give them a chance to dance and make merry. It might be possible next summer to have music so that the folks about town could dance as has been done during the past summer in Ardmore. The members of the American Legion and their ladies were so pleased with the dance in Elm Hall that they will probably arrange to have a series of dances during the winter.

A STATEMENT.

To the Citizens of Narberth:

On Monday, November 3rd, a drive will be started by the Association, assisted by about a hundred of our public-spirited citizens, for a fund of at least \$40,000 to equip us with many facilities which the borough badly needs for the proper care of its young people and the best interest of our town.

We earnestly solicit the thoughtful consideration, interest, co-operation and assistance of all our townfolk.

The Association is not unmindful of the sentiment expressed by some bearing on a so-called "Community Center," and while it is felt that that sentiment, as generally understood, does not properly represent a majority of the community, it nevertheless deserves due consideration, and has had the thoughtful consideration of this Association.

A strict "Community Center," operated by the "Community," is an idealistic plan seldom successful, and then only in centers where the support, financially, is much stronger than would be possible in Narberth.

The "Community Center," so-called, is without permanent responsibility; is unable to maintain interest after the novelty has worn off, and is never as responsive to the needs of the most interested element, the young people of the community, as this Association is and can be.

The officers and directors of this Institution are devoting their best efforts and means to maintain the work with a special thought for the morale of our young people—the future men and women of Narberth.

There is nothing a "Community Center" affords that cannot be provided by the Association and in addition, the Association works with the advantage of permanent organization, backed by local men impelled by an incentive behind their efforts which for years has stood the gaff of inadequate support and helpful interest, and which would not obtain in the case of the strictly "Community Center" as generally known and intended.

To be profoundly frank, the first and main object of the Association is the care of and benefit to our young people, and will it not be conceded that this indeed should be the foremost objective

of any central organization of the community?

The Association recognizes the need of a Community Center and feels it is and can still better be a real center of the town's activities, combining all essential advantages, and avoiding inherent and inevitable disadvantages of the "Community Center" as commonly understood.

Appreciation of the need of such a center, a sense of responsibility to our town—its young people especially—and due appreciation of the anticipated support of our townspeople, impels the management to gladly take the opportunity of again giving assurance that the policy of the Association is that all of its facilities and activities shall be available to all our people, its organizations and clubs.

This contemplates the use of the swimming pool and all other facilities of the plant by all of Narberth people, and use of the auditorium by any of our townspeople or their organizations for any purpose naturally to be expected and required in a community such as ours.

This, therefore, can, should and is intended to be your own center of the town's activities, and as such is entitled to and it is hoped will receive your most thoughtful and active support in every way.

Help to boost Narberth by putting across this plan which will place Narberth in the forefront as a community of indomitable progressiveness in caring for the welfare of its young people and its community interests.

CHURCH CHOIR REORGANIZED.

The Methodist Church Choir has been reorganized, under the direction of Mr. Russell A. Cuthbert, who until recently was a very progressive leader in a Cleveland Methodist Church, with about twenty good voices. The choir started off the season with a surprise party to Mrs. James Foote, who has been one of the former most active members and soloists of the choir, on last Thursday evening. Jokes and tricks were played on all, even on "Parson" Gray, who accepted it in his usual congenial manner. The grand finale of the evening was, of course, depicted in the dining room of the gracious hostess, with the help of McIntyre's "good cats."

It is expected that Mrs. David Stickney will be the leader for the coming winter, which means in itself that the chorus could be naught but successful. The special soloists to assist the choir will be Mrs. James Foote, Mrs. Howard Hoffman, Mr. and Mrs. Edward Stanley, Miss Ruth Prescott, etc.

Evangel Circle of King's Daughters Hold Convention

By One of Those Present.

We have all heard folks say that conventions are tiresome, but they surely never attended a convention held in Narberth under the auspices of the ladies of the Evangel Circle of King's Daughters, of whom Mrs. Fred Derby is President. At least this was the unanimous sentiment voiced by the 150 lady visiting members of King's Daughters Circles from all over Montgomery County. From 10.45 in the morning until 4 o'clock in the afternoon they were certainly kept busy, only stopping to enjoy the luncheon, consisting of oyster croquettes, peas, scalloped potatoes, fruit salad, ice cream, home-made cake, coffee. The visiting ladies in thanking the Narberth ladies said the luncheon was far above par.

Donations toward the twenty-five thousand dollar endowment fund to be raised for the Holiday House were received from members and the different Circles from Pottstown, Bridgeport, Colmar, Glenside, Jenkintown, Ogontz, Cynwyd, Broomall, Ambler and also Narberth and Philadelphia.

The convention spoken of was the eighteenth annual convention of the Montgomery County Union of the International Order of the King's Daughters and Sons, and was held in Narberth on Saturday, October 25th, 1919, in the Baptist Church of the Evangel.

Morning session opened 10.45 o'clock.

Hymn, "O Worship the King"; devotional service, Rev. Avery S. Demmy; welcome to delegates, Mr. William J. Jones; response, Mrs. J. Howard Ervieu; minutes of Spring Convention and roll call; solo, Mrs. William D. Geiger; report of President, Mrs. Francis H. Baker; report of Vice-President, Mrs. Elwood Land; report of Treasurer, Mrs.

M. E. Law; report of Nominating Committee; report of Auditing Committee; report of Nominating Committee for Officers of Holiday House; Hymn No. 101; adjournment. Luncheon served in the Y. M. C. A. Building.

Afternoon session, 2 o'clock, in Baptist Church. Hymn, "Jesus Calls Us"; devotional service, Mrs. Francis H. Baker; solo, Mrs. Wm. D. Geiger; address, "A New Era for the King's Daughters," Mrs. H. Medley Price; gleanings from Holiday House, Mrs. Francis H. Baker; new business; report of Resolution Committee; closing thoughts, Miss Irene Boyer.

Belgium's Queen Visits Narberth

BUT ONLY A FEW OF OUR RESIDENTS WERE FORTUNATE ENOUGH TO WITNESS THE ROYAL PARTY ALONG THE "ROUTE OF THE PARADE" ON WOODBINE AND NARBERTH AVENUES LAST MONDAY.

Oh, you North Philadelphia Station, Independence Hall, Hog Island ship yard and other places—you're not so much (meaning no disrespect at all) when it comes to "entertaining" royalty and giving three rousing cheers for the brave Queen Elizabeth of Belgium!

You're not so much, we repeat, because we, that is, Our Year 'Round Home Town of Narberth, had a hand in the big celebration last Monday, and right proudly it did its share in adding to the welcome extended to the notable visitors.

Yes sir, and also yes mam, Narberth was visited last Monday by the Queen of Belgium and the young Prince. Very few Narberthites were fortunate enough to be out along the "route of the procession," but those who were did their best to provide an impromptu reception, and that their efforts were not unappreciated by the distinguished visitors was evident from the gracious and friendly manner in which the Queen smiled and waved her greeting in response to the applause from the Narberth folks who recognized her as the autos in the party passed along Woodbine and Narberth avenues.

The Queen and the Prince and their party were on their way to Bryn Mawr College. The autos were going west along Montgomery Pike about half-past three. When they reached Woodbine avenue they found the pike shut off on account of road repair work. So they turned into Woodbine avenue and traveled west along Woodbine to Narberth, and out Narberth to the pike, and then on to Bryn Mawr.

Among the Narberth folks who cheered the Queen on her way were Miss Maizie J. Simpson, Mrs. Marion Fleck, Mrs. Horace Reese, Mrs. J. W. Shinn, Miss Smith and Mr. Charles Mirick.

The W. F. M. S. of Methodist Church will meet at the home of Mrs. J. T. Darlington, 212 Hampden avenue, Tuesday, November 4, at 2.30 P. M.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if the not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
